Week of Apr. 8-12

We had an 'egg-citing' week in first grade - our chick eggs arrived! They will hatch at the end of April. Also, our forest preserves field trip is on Monday - students should dress appropriately for the weather and bring a sack lunch. ☺

REMINDERS

Please remind your child to practice their sight words for 5 minutes each night! A new list of words will go home on Monday.

Activity boxes are due! Please return them so that a new math game can be sent home next week.

Scholastic book orders are due by Wednesday, April 17!
