Week of Oct. 9-12

I encourage you to read each night with your child! It is a great opportunity to help them build literacy skills. If students bring back their completed reading log at the end of the month, they will receive a certificate for a free personal pan pizza from Pizza Hut! ☺

REMINDERS

Please remind your child to practice their sight words for 5 minutes each night! A new list of words will go home on Monday

Our first activity box game went home today - please read the letter about the activity box. The game is a great way to practice math skills!

Oct. 23 - Fairhaven Family Night

WE'RE LEARNING

READING: We read *Curious George Goes Camping* by Margret Rey and *The Busy Little Squirrel* by Nancy Tafuri.

WRITING: We wrote about special activities we do with family members. The students are continuing to work on writing first, then working on illustrations.

MATH: We practiced addition to 10 using number racks. We also discussed missing addends.
